Public Liability Insurance CIS has its own PLI but it is a requirement that every participant must also have their own PLI. If your current certificate does not cover the period of the event you will need to send a copy of the new certificate within a month of the event.

It is hoped that all makers will help build an audience for CIS by:

- Informing their own customers.
- Detailing the event on their website, Facebook page and other social media platforms.
- Helping to distribute promotional material in their local vicinity.
- Generate a general awareness of the event in their geographic area.

This is one of the main and most powerful ways to ensure the success of the event and secure its future.

Signing the Application Form means you have read the Terms and Conditions.
